

## Avel eCare Education

Avel eCare is excited to share our NEWLY DESIGNED learning platform, AVELearn! AVELearn is library of courses designed to meet the learning needs of our collaborating partners. We understand the trials of busy schedules, geographical and financial challenges for finding and completing continuing education for license certification and regulatory education demands. Through AVELearn, we can meet these challenges and MORE! One of the best parts of AVELearn is that it is included in your partnership with Avel eCare!

AVELearn includes the following:

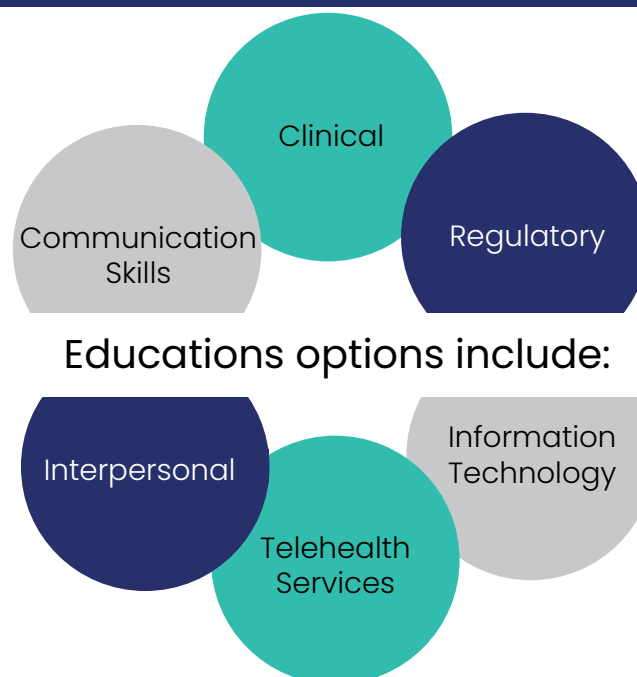

### Live Education

- Offered virtually
- Expert Speakers
- Accessible from desktop, laptop, tablet, or smartphone.

### Recorded Education

- Recorded Live Education
- Web-based Education developed with Content Experts
- Available 24/7/365
- Accessible from desktop, laptop, tablet, or smartphone

**Many of the live and online education have continuing education credit available!**
