

# Pamela Paulsen, RN, Gero-BC

## Biography:

Pamela (Pam) Paulsen serves as the Nursing Manager for the Senior Care service line at Avel eCare. In this role, Paulsen oversees a talented team of nurses who provide specialized care via telemedicine in support of Avel eCare's Senior Care customers. Prior to Avel eCare, Paulsen served in a variety of nursing roles, from a Medicare rehab/restorative RN to a director of nursing. While each of these experiences varied, the common factor has been Paulsen's unwavering commitment to serving the elderly population. She believes the skilled nursing facility environment not only offers a rewarding scope of caregiving, it also offers opportunities that can leap professional development and demand competency in a diverse set of skills.

Paulsen holds a Gerontology Board Certification for Nursing, is Resident Assessment Coordinator-certified, is BLS-CPR certified, and is an active member of the American Association of Post-Acute Care Nursing (AANAC) and the American Nursing Credentialing Center (ANCC) organizations.
