## Avel eCare Pharmacy Turn Around Time

### PURPOSE

To outline the eCare Pharmacy service level standards for processing orders in compliance with Minnesota Board of Pharmacy Guidance Concerning Variance Requests for Off-Site, After Regular Hours, Hospital Pharmacy Services. Turnaround time is defined as time elapsed between the initial receipt of the order notification in the eCare Pharmacy Order Management System and order entry/verification.

### SCOPE

This Pharmacy Turn Around Time policy applies to Avel eCare Pharmacy Services.

### POLICY

Avel eCare Pharmacy will provide medication order review for patients in a timely manner and has established the following service standards outlining the expected turnaround time for routine and STAT orders:

1. The standard average turnaround time for routine orders will be less than 60 minutes.
2. The standard average turnaround time for STAT orders will be less than 20 minutes.
3. If the standard turnaround time is breached, the eCare pharmacist will document the reason for the delay in the order management software.
