

# Mitchell Relf

## MSN, APRN, PMHNP-BC

### Education & Training:

Mitch Relf received his Bachelor of Science in Nursing Degree (BSN) from the University of South Dakota. He continued his education and completed his Masters of Science in Nursing Degree (MSN) from the University of North Dakota. Since obtaining his masters, Mitch has received his American Nurses Credentialing Center (ANCC) certification as a Psychiatric-Mental Health Nurse Practitioner (PMHNP-BC). He then received his license to practice as a PMHNP-BC in the state of South Dakota.

### Experience:

Mr. Relf has been practicing outpatient psychiatric services for Indian Health Services since signing on with Avel eCare in August, 2019. His current role and responsibilities include the assessment, diagnosis, and medication management of various psychiatric disorders including but not limited to mood, anxiety, and psychotic disorders. Prior to his current role, Mitch spent four years practicing as a registered nurse (RN) in an inpatient acute psychiatric unit and one year in an inpatient neurology unit.
