Crisis Care: How it Works

- Law Enforcement receives a call that an individual is experiencing a mental health crisis.
- Law Enforcement responds to the individual.
- Law Enforcement introduces the individual to crisis care tablet or requests a text be sent by the Avel team to any personal device.
- Avel expert performs an assessment and makes a recommendation to Law Enforcement.
- Once encounter is complete, individual is provided community health resources for follow-up support.

Caring for Law Enforcement

- When most people are asked to name the symptoms of depression, most people will answer "Sadness". However, did you know, there are many other symptoms of depression?
- Symptoms may include:
 - Lack of interest in activities
 - Trouble sleeping or oversleeping
 - Feelings of guilt
 - Psychomotor changes
 - Difficulty thinking clearly or concentrating
 - Fatigue or decreased energy
 - Changes in appetite or weight changes
 - Irritability
 - Sadness
- If you or someone you know is experiencing these symptoms, please reach out for help today!
