

# MOCK DRILL PROCESS

## 1 SUBMIT YOUR REQUEST

Submit your mock drill request at least three weeks in advance via the facility portal. Include your preferred date, time, and scenario.

## 2

### PREP CALL

Avel's RN Education Consultant will schedule a prep call to review your chosen scenario, roles, goals, supplies, and logistics for launching the drill.

## 3

### MOCK DRILL DAY

Run the mock drill virtually with Avel's facilitator.

### POST-DRILL

If CE credit is offered, you'll receive instructions on how to complete the post-drill evaluation and access your CE certificate.
